Description

Short documentary film produced by ARTtube, narrated by Wouter Vanstiphout, architectural historian. Discusses the history and construction of *Wall Relief 1955 brick* (LH 375) on the façade of Bouwcentrum, Rotterdam and collaboration with architect Joost Boks and two master bricklayers. Shows the removal of the work and discusses the work in the context of the past and plans for the new building development. Illustrated: *Four Sleeping Children and Two Lying Figures 1940-41* (HMF 1618) ; *Study for Row of Sleepers 1940-41* (HMF 1657); *Two Figures Sharing same Green Blanket 1940-41* (HMF 1705); *Three Seated Figures 1941*; *Two Sleepers in the Underground 1941* (HMF 1848). 0023150 Architecture News 2 February 2015
