More Information

Disbanded notebook of white wove paper 234 x 180mm. Moore began the book in January 1979 with HMF 79(1)-79(4a) and in June took it to Italy where he made the rest of the drawings known to have been in the sketchbook, HMF 79(127)-79(142) and 79(176). The book was not catalogued before the pages were removed so their correct order is unknown. All the drawings were cut down when removed.
