

## Flying Figure

**Catalogue Number**  
HMF 910

**Artwork Type**  
Drawing

**Date**  
1932

**Dimensions**  
paper: 298 x 387 mm

**Medium**  
pencil, brush and ink, chalk, wash

### Signature

(probably added later) pencil l.r. Moore/32

### Ownership

unknown

### More Information

Clark (1974, p.46) describes this as 'a drawing done in Paris when the work on the North (sic) Wind was over shows the flying figure let out of school with a shout of joy.' The drawing can be related to several sketches in Sketchbook 1928: West Wind Relief HMF 611-643. Clark gives no reason for saying that the drawing was done in Paris.
