More Information

(at one time known as Notebook 4). Disbanded notebook originally bound in red cloth-covered boards 260 x 185mm containing 80 pages of off-white medium-weight wove paper 254 x 176mm in ten

signatures of eight plus front and rear endpapers. The pages are numbered upper left on the recto starting at the front endpaper. Pages 26, 36 and 38-64 remained blank. A small drawing on Ozatex, not catalogued here, was attached to the verso of p.65; nothing is known of pp.66 and 67. Although Moore began the notebook in 1972, working from the front and back simultaneously, it is here catalogued from the front.
